- Please indicate why proper treatment of the person's behavioral health condition requires services on an inpatient basis under the direction of a physician.
- Please indicate why the requested service can reasonably be expected to improve the person's condition or prevent further regression so this level of service will no longer be needed.
- Please indicate why outpatient resources available in the community do not meet the treatment needs of this person.

I am aware of the client's condition and have been provided sufficient information to determine this level of care is appropriate.
